House system

The able management of a residential school depends upon the quality of the house system functioning in a school. A house consists of a group of wards, effectively led by a responsible teacher (**House Master/House Mother**) who acts as parent, guide, philosopher and friend for every ward of the house. A house inherently provides a family atmosphere in making the child physically fit, socially adjusted, emotionally balanced and morally upright.

A two-tier system of houses functions in the Navodaya Vidyalaya

- 1) Junior Houses for classes VI to VIII
- 2) Senior Houses for classes IX to XII

In a full-fledged Vidyalaya, there will be four Junior Houses and four Senior Houses and two Houses for girls (one from class VI to VIII and another from classes IX to XII). Four names are recommended for uniformity in all JNV's, Viz. Aravali, Nilagiri, Shivalik and Udayagiri.
