

LIBRARY

The Department of Library has planned various academic, co-curricular and extra-curricular activities for the academic year 2015-16.

There will be an interesting Quiz Competition exclusively on current affairs for class IX in the month of July 2015. It will discuss many burning social problems like Unemployment & Population explosion under theme based CCA activities in the month of July for class XII. A talent test in science will be conducted for class XI in the month of August. Quiz competition in G.K. will be conducted in September & October for class VII. National Book Week will be celebrated on a grand scale in November. Thus the Department will explore & expose students' quiescent talents.
