

Sports & Games

A sound mind always buds and flourishes in a sound body. The Department of games is strongly determined to use its resources to make every student fit physically & sound mentally. The vidyalaya has procured a 16 stations Multi Gym. A thorough plan is designed to make the multigym accessible to all the students of the vidyalaya.

The Department intends to develop minimum skills at least in two major games for this academic year. Various play fields and related equipments will be used as its tools.
